

INTRODUCTORY & BOARD OF DIRECTORS

Company Introductory

Known for business commitments and zeal to win & retain the faith of the clients, we, Arihantanam Life Care Pvt. Ltd., are an eminent company. Our 2007 formed company is leading the manufacturer, supplier and exporter of Sterile API and bulk drugs. Our products are processed from superior quality ingredients that are obtained from the authentic vendors of the industry. For meeting different requirements of the clients, we are offering the products in retail as well as bulk quantities. The pharmaceutical compositions we offer are extensively praised for their balanced composition and longer shelf life. Owing to supreme quality and availability of products in hygienic air-tight packs, we have won hearts of a large number of customers. Our prompt delivery of the orders and transparency in the deals have also helped us in making a special mark in the today's challenging market.
